WineWise Notes:

It was a challenge to make proportionate wines in this warm vintage, but one that Cyrille was up to!

Notes on the producer:

This impeccable producer of Kimmeridgean Chardonnay at reasonable prices has long been a mainstay of WineWise. Their estate extends to 55 hectares, all in the vicinity of Beines and points west. They also boast a fascinating museum of wine paraphernalia, including the largest collection of corkscrews that one can imagine. The founder Alain himself died in late 2020, but the estate is capably run by two women : his daughter Nathalie and long-time cellar master, Cyrille Mignotte. They suffered unbearable losses in the vineyards in three successive vintages, whether by frost, hail or oidium. As a result, supplies have had to be strictly allocated, and some wines have been completely unavailable, such as the Bourgogne Rouge. We hope for the best in 2022!

The Geoffroy family has always been involved in the wine world. Honore Geoffroy developed the vineyard in the villages of Seines and La Chapelle Vaupelteigne, in the heart of the Chablis vineyards, around the year 1850.
